Respected Sir

It is owing to your world wide
fame of patronising Arabic &
especially Shia literature, that
I venture to submit most humbly
a copy of my elder son's work
called (Jusain in the Philosophy
of History) as an humble present
for your kind consideration.

In full trust upon your kind-
heartedness, I also beg to solicit
your favour of kindly obliging me
by your most-valuable opinion
regarding its historical & phy-
losophical matter as well as
its language, & I am sure that
a few lines from your venerable
& worthy pen will greatly add
to its rank & position as well
as to the value & honor of the
author.

Apologising for my broken
hand & encroaching upon
your precious moments.

An early reply to this humble
note is earnestly wanted for.

Your most-Obediently
Sh. Lida Hussain
Professor of Shia Theology
